Footsteps of American Saints Activities

This program honors those men and women who led heroic lives of faith. Their words, their deeds, and their devotion to prayer and to the sacraments, inspire all American Catholics. In the church calendar for the United States, some have the rank of "saint" and are venerated by the universal church. Some have the rank of "blessed" and are venerated by the local church. Some have the rank of "venerable" and, while on the way to becoming a "saint", may be venerated by Catholics. Most of these men and women lived and worked in either North or South America. Many lived in what is now the United States. Others never set foot in our country, however their lives and work have had a huge impact on the Catholic American landscape. All of them sought to follow Jesus.
